

### USC Graduates Plan Alumni Day

Trojan graduates of this area are being invited to the annual Alumni Day, May 16, on the University of Southern California campus, by W. Worth Bernard, general chairman.

Planned as a family day, a nursery school will be provided for tots while parents attend the series of events beginning at 9 a.m. Fathers and sons will be guests at the morning varsity football practice on Howard Field where a baseball game between alumni and faculty will be umpired by Chancellor Rufus B. von KleinSmid after a luncheon program.

LOUIS G. REEHL  
... Last Rites Held

### Louis G. Reehl, National Supply Retiree, Dies

Louis G. Reehl, former supervisor of the oil tool assembly department at National Supply and a veteran of 32 years service with the company, died Sunday at his home. He was 66 years old.

Funeral services were held at McMillan's Funeral Chapel Tuesday, and interment followed at the Green Hills Cemetery in Harbor Hills. Pallbearers were R. M. Garbe, Bob Pearson, A. R. Lowry, Tom Bowker, Bob Proctor and Joe Kennedy. All of these men are from the National Supply plant and were closely associated with Mr. Reehl over the years.

Mr. Reehl retired from the company on Dec. 31, 1952, after 32 years there. A native of Cincinnati, Ohio, Mr. Reehl came to California in 1920 and settled in Strawberry Park, now Gardena. He applied for and got a job at the National Supply company Aug. 5, 1920 and advanced through the jobs of inspector, clerk and foreman to his position at time of retirement.

He is survived by his widow, Ida M. Reehl, 1635 Market St., Gardena, a daughter, Virginia Norton, Hermosa Beach, a sister, Mrs. Laura Prues, of Whittier, Calif., a nephew, Louis Prues, also of Whittier, and a grand daughter, Mrs. Sue Donely, of Petaluma.

STAMPS PAY WAY  
The Republic of Liechtenstein has no army and no prisons. Postage stamps pay most of the cost of government.

### American Mutual Insurance Tells New Rating Plan

A new rating plan on automobile bodily injury, property damage and collision insurance, designed to provide lower insurance costs for qualified drivers in California has been announced by the American Mutual Liability Insurance Company.

The new rates will apply to all policies written on and after April 17. The rate revision is based on the introduction of six private passenger automobile

classifications as compared with three classifications formerly in effect. The former classification applicable to passenger cars for pleasure use only and with no drivers under 25, has been divided in classifications 1A and 1B under the new plan, Class 1A applies to risks of not more than two operators with a mileage less than 7500 miles annually. Class 1B applies to all other

risks formerly assigned to class 1. Class 1A rates will be 55 percent of the present class 3 rates as compared with 70 percent under the former plan. Class 1B rates remain unchanged. Former class 2 rates, applicable to any driver under 25, have been divided into three classifications. Class 2A risk applies to driver under 25 other than the owner and who does not operate the car more than 25

percent of the time. Owners or operators under 25 who are married, with one or more children, are also included in this class. Class 2B covers married drivers under 25 who own and operate their cars but have no children. Class 2C applies to drivers under 25 not classified under 2A or 2B risks. Class 2A rates reflect a substantial reduction, while an increase is noted for classes 2B and 2C.

Present class 3 rates will continue in effect for private passenger automobiles owned by individuals not classified under

the 1A, 1B, or 2A, 2B or 2C categories. Present class 3 rates also continue in effect for passenger automobiles owned by business or fleet organizations.
